Ms. Kay returned to Alaska after working for Lifeway Conference Center at Ridgecrest, NC. She moved to Anchorage to direct “Life Skills” with the children at Alaska Baptist Family Services.

As FBC Palmer moved into their new location in January 2004, Ms Kay came on staff as their Ministry Development Coordinator.

Her background includes teaching leadership conferences for volunteers ( working with youth, women, and adults) providing motivational principles, team building, drama, church development, and missions. She has served as an Associational Youth Director, Chairperson for the North Carolina and Alaska Partnership, represented Lifeway Ridgecrest at national conventions and successfully organized Crossfire Ministries in several locations around Alaska. She also traveled to Israel with Crossfire.

Kay enjoys flying with her son, David (wife Robin) in his ultra-light, going to Hawaii with her younger son Darrell (wife Kim) and special moments with her daughter, Christine (husband Pat) each day. The joy of her life is her seven grandchildren and one great grandchild.
